Sensemaster Ltd. Unit 1 Severn Bridge Ind Est. Caldicot, Monmouthshire. NP26 5PW

Scroll down to public key.

Enter public key setting using right hand key.

The code will show **4999.**

Use the up and down keys to change the code to 2501.

NB: pressing and continuously holding the up or down key will increase the speed of scroll & you may

overshoot your target.

Simply step the key when you are close to the number required to ensure correct digits.

Exit the menu by pressing the Home key to enable the express menu.

To return the controller back to the original PM Plus menu repeat the procedure until the public key stage but now enter **606** & then exit to home.
